Internal Quality Assurance Cell (IQAC): IQAC forms an integral part in instituting long term quality standards in the institution. IQAC ensures continuous improvement in the entire gamut of academic and administrative operations of PSVPEC by generating good academic ideas, processes and practices and ensuring their implementation for the benefit all the stakeholders — students, parents, teachers, staff, funding agencies, and society in general.

Head of the department: Head of the Department is responsible for all the academic activities, co-curricular and extra-curricular activities of the concerned department. HoD meetings headed by the Principal is organized every month for the review of the academic activities of the month and to plan for the activities of the following month.

Other leadership levels: Committees for Training and placement, Research and development, Hostel and Examinations are headed by senior faculty. Sports and Library are headed by Physical Director and Librarian respectively.

Administration: The General and Finance administration is headed by Administrative officer and Accounts officer supported with a team of technical and support staff.

E. Nature and Extent of involvement of Faculty and Students in Academic affairs / improvements

Our Institution is striving to be an eminent Centre for academia, industry and research by imparting knowledge, relevant practices and inculcating human values to address global challenges through novelty and sustainability.

- Our well qualified and experienced faculty members are serving as members of Board of Studies, Academic Advisory Committee etc., and they take active part in curriculum revision, discussions related to the implementation of various academic activities and examination systems.
- Our Institution has earned the Top 1st position in Tamil Nadu amongst 450 Engineering Colleges affiliated with Anna University based on the Academic Performance.
- Our research programs focus on the beginning of theories, concepts and in turn revolutionize the world by coming up with ideas, products, and concepts which are useful to the society
- Having MOU with various industries and institutions for industrial connect, PSVPEC is publishing research articles with an industry focus on high impact factor journals under Scopus, Web of Science classified journals and patents. Industry research projects are being undertaken in various emerging areas.
- PSVPEC has very good infrastructure facilities like ICT enabled classrooms, smart classrooms, laboratories with all the required equipment and software facilities for the successful completion of the course.
- Faculty members of PSVPEC are all well qualified.
- In order to enhance the research capabilities in interdisciplinary areas the faculty members are encouraged to participate in different refresher courses, faculty development programs, workshops, seminar and conferences etc.
- Students are well trained during their course of study to improve their employability skills. A well-structured training programme is imparted to students from their first year of study itself.
- Cater to the need of diversified learning capability of the students; our Teaching learning process includes Traditional learning, Collaborative learning, experiential learning, participative learning, activity-based learning, competition based learning and Innovative learning.

- Effective mentoring system is in practice with a faculty mentor for every 20 students to monitor and guide the students to excel in their academic, co-curricular and extracurricular activities.
- A qualified Counselor is appointed to counsel the students related to their personal problems.
- Parent-teacher meeting are conducted frequently to convey the academic progress and to improve the parent-teacher-student relationship.

Number of seats allotted to different Test Qualified candidate separately (AIEEE/ CET (State conducted test/ University tests/ CMAT/ GPAT)/ Association conducted test)	TNEA Allotment: 420 Consortium Allotment:420
Calendar for admission against Management/vacant seats	For B.E./B.Tech., (Consortium of Self-Financing Professional, Arts and Science Colleges in Tamil Nadu, Chennai-600014.) Web: www.tnsfconsortium.org
• Last date of request for applications	As announced by the Directorate of Technical Education, Tamil Nadu.
• Last date of submission of applications	As announced by the Directorate of Technical Education, Tamil Nadu.
• Dates for announcing final results	As announced by the Directorate of Technical Education, Tamil Nadu.
• Release of admission list (main list and waiting list shall be announced on the same day)	Yes
• Date for acceptance by the candidate (time given shall in no case be less than 15days)	As per the Anna University Allotment order
• Last date for closing of admission	As announced by the Anna University, Chennai and Directorate of Technical

	Education.
• Starting of the Academic session	As announced by the Anna University, Chennai and Directorate of Technical Education.
• The waiting list shall be activated only on the expiry of date of main list	Yes
• The policy of refund of the Fee, in case of withdrawal, shall be clearly notified	Yes

11. Criteria and Weightages for Admission

• Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.	• A Pass in twelfth standard of Tamil Nadu H.S.C. (+2, Academic) with Mathematics, Physics and Chemistry. (or) A Pass in an equivalent examination	
• Mention the minimum level of acceptance, if Any		
Community	H.S.C. (Academic) or Equivalent	H.S.C. (Vocational)
SC/ST	An average marks of 40% in Physics, Chemistry and Mathematics	An average marks of 40% in Vocational Theory, Practical and Mathematics
MBC/DC	An average marks of 40% in Physics, Chemistry and Mathematics	An average marks of 40% in Vocational Theory, Practical and Mathematics
BC	An average marks of 45% in Physics, Chemistry and Mathematics	An average marks of 45% in Physics, Chemistry and Mathematics
Other Communities	An average marks of 50% in Physics, Chemistry and Mathematics	An average marks of 50% in Physics, Chemistry and Mathematics

Innovation Cell		Prince Shri Venkateshwara Padmavathy Engineering College in association with Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Institution's Innovation Council (IIC) during November 2018 to systematically foster the culture of Innovation. The main objective of IIC at PSVPEC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes. IIC is established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.

Extra-Curricular Activities

The institution has an auditorium with a seating capacity of 300 and equipped with LCD projector, screen and audio system with multimedia capability. Workshops, seminars, and other co-curricular and extracurricular events in the institution are held in the auditorium

Cultural activities The institution provides outdoor open stage as well as auditorium to conduct various co-curricular activities of clubs and committees namely Cultural and events committee, Shakespeare Club, Science Club, Ramanujam Maths Club, Eco club, EDC, Women empowerment cell in order to bring out their hidden talents and encourage them to participate in the inter department level and inter college level competitions. The college organizes events related through NSS, Health club, Rotaract club and YRC. Functions like Cultural Fest, Independence Day, Republic Day, Sports day, Teacher's Day, Women's Day, Annual Day etc., are celebrated. Co-curricular & Extracurricular Activities Every year institute organizes various cultural activities during fresher's welcome, annual social gathering and farewell events to explore and nourish the hidden talents of students. Institute has a well-furnished auditorium having 500 students seating capacity to carry out various cultural / extracurricular activities like Induction Day, dance, rangoli and competition, annual social gathering, farewell, programs on yoga and meditation etc. The facilities for sports, games and cultural activities are efficiently utilized by students for various events like Symposiums, Annual day, sports week, etc. The usage for the same is monitored.

Soft Skill Development Facilities

The Institution offers various training programs for the development of skills of the students to reach their destination. Trainings are provided to all the students right from their first year onwards. Our Unique Proposition includes:

- Training modules by Industry Experts
- Training offered by experienced faculties with industry experience and soft skills
- Year-wise scheduled programs, flexible option to choose from and industry customized program
- Innovative Learning practices and infrastructure focused on futuristic technology
- Provide live platform to demonstrate learning through guided social and industrial projects
- Students are handheld for patent registration of their innovative projects

	<ul style="list-style-type: none"> • Continuous assessments and monitoring for quality improvement and skill set mapping • Peer learning to improve team work and cognitive skills

Internal Continuous Evaluation System and place

Internal Assessment: Internal Assessment comprises three Internal Assessment Tests. Various components of internal assessment mechanism are briefly discussed with respect to frequency and variety. 1. Continuous Internal Assessment (CIAT) tests: Three internal assessment tests are conducted during the semester. CIAT Test-1 covers unit 1 & 2, and CIAT2 covers all the 5 units. Question papers are set to evaluate the attainment of various Course Outcomes along with thought-provoking questions. This ensures a wide variety of questions which adds robustness to the system.

Laboratory Courses: The following process will be followed for the evaluation of Laboratory Courses

- Evaluation of the student's observation book and record notebook.
- Evaluation by oral examination on the student's knowledge before the start of experiment.
- Model practical examination.
